FIERA MILANO RHO-PERO – FIERA MILANO CITY

GENERAL HANDLING TARIFFS 2012

REMARKS

- a. Above rates do not include Italian VAT that will be charged where applicable.
- b. The storage service can be provided only for exhibits and it is strictly related to the build up and break down periods. Long-term warehousing can be provided only upon specific agreement.
- c. If for our convenience a higher capacity forklift/crane is used to perform a service instead of the necessary one the tariff applied will remain unvaried as by original request.
- d. All services to be provided after 10:00 p.m. must be booked by fax before 6:00 p.m. on the same day. If the booking terms will be mismatched for longer than 15 minutes, the service will be cancelled and 1 hr will be charged.
- e. All services not listed above must be agreed in advance.
- f. For temporary import Customs formalities a cash deposit or a bank guarantee equal to the amount of duties to be paid to the Italian customs must be provided by the exhibitor.
- g. The empty storage service is intended for empty packing materials only. Expotrans will not be responsible for the damage or loss of any material and/or goods left inside.
- h. Services performed from Monday to Friday between 7 p.m. and 12 p.m. will be subject to a 25% overtime surcharge increase.
- i. Services provided from 12:00 p.m. to 07:00 a.m. will be surcharged 100%.
- l. Services performed on Saturdays between 7 a.m. and 12 p.m. will be subject to a 25% overtime surcharge increase.
- m. Services performed on Sundays or Holidays between 7 a.m. and 12 p.m. will be subject to a 25% overtime surcharge increase
- n. Full payment of all services provided must be done before the closing of the show.
- o. Overtime surcharge increases, as indicated above, will also be applied on lump-sum tariffs as per point n. 2
- p. The Tariffs related to warehouse handling (point 7) will be calculated on the maximum volume/weight ratio: 1cbm= 333 Kilos. Rates for goods to be stored with a higher weight ratio must be agreed in advance. If the weight ratio is lower, the tariff applied will remain as shown in point 7.
